## Dear Health Care Professional:

The Ottawa-Carleton District School Board (OCDSB) is committed to assisting employees in their recovery and providing safe return to work. The OCDSB will provide transitional modified duties and/or modified hours of work, if required.

Employees must provide sufficient objective medical documentation to support their absence, to qualify for benefits, and to assist in the development of a return to work plan appropriate to the employee's abilities and limitations.

Attached is the OCDSB standardized medical form. Part B of the form is to be completed for all employees. Please complete only the applicable sections of Part C for employees requiring workplace accommodations on their return to work. Please return the form to the Wellness team via email at: employee.wellness@ocdsb.ca or by fax at 613-596-8798 or 613-596-8726.

A Disability Management Coordinator from the OCDSB will work with your patient to support and help your patient during his/her recovery and return to work.

Confidentiality of medical information will be respected at all times. The employee's functional capabilities and / or restrictions will be shared with appropriate staff within the OCDSB.

We thank you in advance for your assistance and invite you to contact us at 613-596-8250 with any questions.

Sincerely,

## Employee Wellness
